Morgan Sindall is a leading UK construction, infrastructure and design business working for private and public sector customers on projects from £100k to over £1 billion.

This ranges from small refurbishments to complex construction and engineering projects across the commercial, defence, education, energy, healthcare, industrial, leisure, retail, transport and water markets

Getting here

If you are arriving via the A14 (East or Westbound) leave the carriageway at J43, take the exit on to the A134. At the roundabout take the first exit, then at the Barton Hill roundabout turn right on to Fornham Road. The site entrance will be on your right (see adjacent).

If coming from the north via A11 take the A134 exit, and follow the road for approximately 11 miles until you get to the Barton Hill roundabout. Turn left and the site will be on your right.

About West Suffolk Operational Hub

Delivered on behalf of Suffolk County Council and the West Suffolk Councils, the project involves the construction of a new waste hub facility which will combine services currently provided across four separate sites onto a single site at Hollow Road Farm in Fornham St Martin.

The facility involves the construction of a Household Waste Recycling Centre, Waste Transfer Station, baling facility, fleet maintenance depot and stabling for local authority vehicles, an administration building and access road works.
